## Wharncliffe and Greno Woods, Sheffield May 17th/18th 2003

Individual Championships	Wharncliffe Wood	Saturday May 17th
British Relay Championships	Greno Wood	Sunday May 18th

### Terrain

Wharncliffe is one of the best orienteering areas in Yorkshire combining runnable mixed forest with open moorland. The area covers a hillside with many old workings, which add to the contour detail. You will find it a fine technical and physical challenge and delightful to run in at this time of year. Greno is entirely mixed forest and is adjacent to Wharncliffe.

### Car Parking

Those of you with memories of the National Event in 1996 will be pleased to know we have secured an entirely new parking field, next to the road running between the two areas. The same parking area will be used for both days. Walks to the start will be short. There will be a £1 charge per vehicle per day. Coaches can be accommodated subject to prior arrangement with the Organiser.

### Dogs
