Limb Valley is a lovely place and the sunshine showed it at its best today. From an orienteering viewpoint, it is a tough, physical area with some very steep slopes. My thanks go to helpers on the day - Colin Smith who ran the start/finish, Melinda for registration and Nic Barber, Colin Best, Chas & Julian Hird and Aidan Smith who collected in controls.

Thanks too to Peter Gorvett for his help before the event.

Thanks to all the competitors, some of whom came a fair distance.

I hope you enjoyed yourselves.
