

Event fees 2018

The event fees in the table below are base fees and cover usual event expenses, including (where applicable) mapping, map printing, toilets, first aid, access fees (up to 50p a head) and officials' expenses.

Where additional expenses will be incurred (e.g. equipment hire, higher access fees), the entry fees should be increased in order to cover them. If in any doubt, please contact the Treasurer for clarification.

Family rates (2 adults + up to 4 children) should be calculated as equal to 2*seniors + 1*junior

Level A (international) rates are set by reference to their own budgets and are often not solely an SYO decision.

The use of Fabian for level B (national) events is compulsory, but is at the discretion of the organiser for level C (regional) events.
