

# South Yorkshire Orienteers

## Northern Nights Championship (Level B)

### Canklow Woods

### Saturday 4 Feb

Canklow is a steep wooded area with many paths and intricate detail at the top. It is an area used by local people for walking dogs etc. There are also intermittent motorcycle riders in the woods, which the Local Authority have tried to stop by placing stones and branches across some paths. Take care when running along paths and map-reading at the same time!

Registration will be at Thomas Rotherham College where showers will be available.

Why not make it a weekend of orienteering by running our event at Big Moor & the Gritstone Edges the following day? See website for more details.

**Access:** Car parking will be at Thomas Rotherham College (SK433915 Postcode S60 2BE). Leave the M1 at Junction 33 and follow the A630 North towards Rotherham.
